

Why Choose **STENSTROM**

for Affordable Housing Projects?

At Stenstrom, we're not just builders; we're community advocates committed to making a tangible difference in people's lives. With a **proven track record in the Affordable Housing sector**, we bring a unique blend of expertise, dedication, and innovation to every project we undertake.

Community-Centric Approach

We understand that Affordable Housing isn't just about constructing buildings; it's about fostering vibrant, inclusive communities. Stenstrom prioritizes community hires, **empowering local talent and fostering economic growth** where it's needed most.

“ We selected the Stenstrom team over two competitors because of their unique ability to work with and around seniors and persons with special housing needs. We renovated 12 apartment buildings and in every way, Stenstrom surpassed our expectations. Our staff and residents continually compliment the high-quality work, timeliness, professionalism and genuineness of the Stenstrom crew. ”

Anne Oliva, Executive VP/CFO
Embrace Living Communities

Excellence in Project Management

Our meticulous attention to detail sets us apart. **From precise scheduling to accurate budgets**, Stenstrom ensures every aspect of your project is carefully planned and executed. We specialize in value engineering, optimizing resources to deliver exceptional quality without compromising affordability.

Resilience Amidst Challenges

In the face of supply chain disruptions and unforeseen obstacles, Stenstrom remains steadfast. Our team's expertise in navigating complexities ensures that projects stay on track, even in the most challenging circumstances. We **prioritize proactive communication and problem-solving** to mitigate risks and maintain project timelines.

Your Trusted Partner

When you choose Stenstrom, you're not just hiring a contractor; you're partnering with **a team that shares your vision for creating thriving communities**. With our commitment to project excellence and community empowerment, Stenstrom can successfully build your Affordable Housing goals.
